

Non-Disclosure Agreement

NDA regarding confidential information which Maker Factory has received or will receive from the customer.

Maker Factory receives confidential information and data from the customer in preparation for a possible partnership.

Maker Factory is committed to treat the information confidentially, so that it remains unavailable for other than the project parties, and this way ensure that there is no risk of unauthorized persons getting knowledge of the information.

Maker Factory only has the right to use the information professionally.

Economic agreements entered by the parties are confidential.

Maker Factory is to register employees who get full or partial insight into details of the information. The registration is to be accessible for the customer at all times.

On request, Maker Factory is to immediately return all material at their disposal and ensure that possible data is deleted permanently.

Maker Factory is liable for any damages due to non-compliance of this agreement.

The present agreement is to be interpreted according to Danish rules and regulations, and any disputes are settled in the Maritime and at Court in Esbjerg.
